Paul,

There has been some type of confusion. Richard Brandon Gadrow is Brandon Gadrow or Richard Gadrow. I hope that helps.

Hi Eric,

We noticed Richard Gadrow's deposition multiple times and were reset because he couldn't make it.

Then we learned that he is deceased.

Please remove his designation from your expert designations or we will seek sanctions.

We do not want Brandon Gadrow and we are not going to accept him as a substitute because your designations still had Richard on them, even after he passed away.

Thank you,
